"4-H FIELD SONG"

"The Laugh Song"

Audience Sing for Initiation Ceremony (Tune: "John Brown's Body")

"Sing for the wide, wide fields	It isn't any trouble just to laugh,
Sing for the wide, wide sky	It isn't any trouble just to laugh,
Sing for the good glad earth,	So laugh when you're in trouble
For the sun on hill tops high	It will vanish like a bubble
Sing for the comrade true	If you'll only take the trouble
Sing for the friendship sweet	Just to laugh.
Sing as together we swing along,	
With the turf beneath our feet."

Letter from Caseworker for Nguyen Ngoc Sen (Foster child)

December 14, 1965

Sen (13) is now attending the fourth class of private primary school. Subjects at school are mathematics, drawing, history, geography, citizenship duty, hygiene, vocabulary and essays. She is good in mathematics. Her schoolbooks are dirty with poor handwriting. Outside school she does her homework, cooks rice and washes up, helping her mother. In her sparetime she likes to play with a skipping rope with her friend. She enjoys greatly receiving and reading letters from her Foster Mother, and writes herself her monthly letters. She hopes to have a chance of seeing her one day in Saigon. She wants to be a weaver later .. She now measures 4 ft. 2 in. and weighs 55 lbs. A Chest X-Ray in December 1965 showed she is still suffering from TB. She is treated at the anti TB dispensary.

Hoa (16), Sen's oldest sister does not go to school, she is at home, does homework and helps her mother. Recent Chest X-Ray showed she is suffering from TB, and she is treated at the public anti TB dispensary.

Huong (10), Sen's younger sister is now on the fourth class of private primary school paying 72\$ (\$1.00) a month. Her schoolbooks are not clean.

The mother does not sell sticky rice any longer. She now looks after a neighbour's three children earning 40\$ (55¢) a day.

Recent Chest X-Ray showed Mother and Puong have no TB. A table and two chairs were added the Initial furniture. The house is the same. Sen's situation has improved a little.

Letter from Foster child Nguyen-ngoc-Sen

Dear Mothers:

This is your foster child Nguyen-ngoc-Sen writing. I wish you a lot of health.

On November 17, I received from you a bar of soap, your monthly allowance of VN\$ 580 plus a cash bonus of VN\$ 300 to buy rice totalling to VN\$ 880. I am very glad. I am glad because you have loved me and taken so good care of me and my family too: you have helped us have the possibility to go to school and you have given us good clothes to wear and food to eat. My family and I are thanking you very much for your support. But I do not know what to do to deserve of your love.

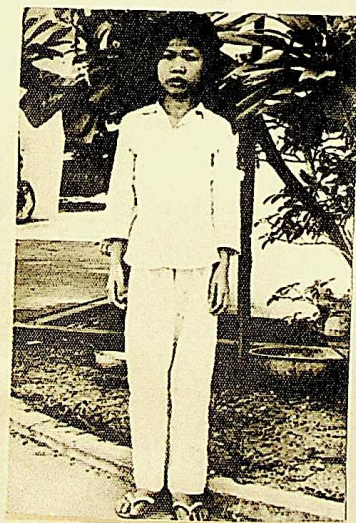

How are you and my foster Grandparents? I hope you are all well. My little sister Huong has recovered from her illness, but my older sister Hoa and I continue to take medicines.

My mother, siblings and I are very grateful to you. We pray daily for your welfare. We ask God to send his blessing for health and joy upon you.

I now respectfully bid you good-bye.

Nguyen Ngoc Sen

January 1966

My dear Foster Mothers:

I am Nguyen Ngoc Sen. I respectfully wish good health and happiness to all of you and your loved ones. On Dec. 22nd, I received from all of you 3 bars of face soap, a pair of mats, a packet of candies, 10 yards of printed poplin and a regular amount of 590%. Your lovely letter was also received at the same time and I was very happy to hear from you.

Mummies, you have given me the greatest help. I greatly appreciate your thoughtfulness in thinking of me. Due to your kindness, we have enough foods to eat and clothes to wear. We are all grateful to you. Thank you very very much, mummies.

How can I do to repay your kindness enough for ? On the occasion of our Tet Holidays, I wish and pray that the New Spring will bring great happiness and joy for all of you and your loved ones. Tet will be back in 3 more weeks; we shall have some time off from school on that occasion. Before signing off, I pray the good Lord to send many blessings to you and yours in the days ahead.

February 1966

Dear mothers,

My name is Nguyen Ngoc Sen, may I've these few words to wish you all continued good health.

I wish to report to you that I I received from you on 1/25/66 1 pair of sandals, 1 bar of washing soap, 1 bottle of vitamins, and an amount of VN\$580.

Frankly, I do understand the fact that my siblings and I have all been able to have enough good means to attend school regularly is largely thanks to your kind monthly support. In return, however, I don't have anything better to do to deserve your immense love and being-concerned about my future life but pledge myself to study more and more diligently in order not to be ungrateful to you all as I do understand although thousands and thousands of miles separates us, your thoughts are with me always.

To end my letter, my mother and all our siblings sincerely thank you for supporting us, and we join together in wishing you all thousands of best things as you like. Good night.

SEN

Dear Foster Mothers,

I am Nguyen ngoc Sen. I hope these lines will find you in the best of health.

Last February 22, I received your allowance of VN\$580 together with one mosquito net and 3 cakes of toilet soap. I thank you very much.

I am greatly moved and happy to see you love me so much and take such good care of me and my family. Mother and all of us children thank you very much.

I do hope that you and your families are all well. My own family is doing fine here. Once a year we observe All Souls' Day on which day we go and visit the graves of dead relatives. It is due in about a month's time from now. Mother says we shall all go to visit father's grave then. We look forward to it. Afterward I shall go to Long Hai. I ask your permission to stop here. I do wish you the best of health.

Your Foster Child,

Sen

April 1966

My dear Mothers,

Your foster child NGUYEN NGOC SEN hopes this letter finds you and your family in good health. I was so glad to receive on March 22nd from you a monthly cash grant of VN\$580 plus one bar of soap and an extra cash gift of VN\$300 (U.S. \$4.13) instead of rice.

With your support, we have been living a bit in easy circumstances, dear Mothers. We, therefore, are very thankful to you.

My own mother and three of us children have gone to the hospital this month to be X-rayed. She and HUONG no longer have to take medicines, but sister HOA and I have to continue taking them.

We celebrated on April 5th what we called "worshiping day at the grave." My own mother and we children went to LONG HAI on the day to visit and worship at our father's grave. After the visit, we went swimming at the Long-Hai beach where we caught shellfishes. We did have a happy time together, dear Mothers. It had been quite a long while before I had chance to go to the place again.

Well, I beg to close for now, Moms. Hope you all continue staying much happy and healthy always.

lg

May 1966

Dear Mothers,

I, Nguyen ngoc Sen, respectfully inquire after you.

On April 21, I received three piéces of soap, a bottle of tonic, a pair of rubber sandals, and an amount of 580\$.

Thanks to your love, I can be well clothed and have schooling like my friends. So my mother and we children send you the expressions of our gratitude.

This month, does it rain much in your country? Here, we had lots of copious showers. Is it very cold there? Here, the weather is so hot.

Are you and my foster grand-parents well? Here, we're still fine as usual.

We always pray God to shower down blessings on you and your families.

SEN

June, 1966

Dear Foster Mothers:

I hope you all are fine. On May 23, 1966 I received at Siagon Foster Parents' Plan VN \$580 as money grant, a raincoat and a bar of soap. I was delighted.

I am lucky indeed because you have helped my family and provided for my education. You are living far away but you always think of me and are anxious about my future. My mother and her children are glad to express you our gratitude and to wish you a good luck and happiness.

How are you? You and your families? Please extend my best regards and wishes to foster grandparents.

All members of my family are well and safe. I have to repeat my grade because I've failed my examination. Please forgive me. I am afraid that you'll be sorry and disappointed to hear that. Huong has been promoted to higher grade.

I am closing here. Goodbye.

Your loving foster child

Nguyen Ngoc Sen

August 1966

Dear Mothers,

Nguyen Ngoc Sen is my name, I'm sending you all my respect and warm greetings.

I received from you on 21 July 1 bar of washing soap, and VN\$935 in cash. My family and I are deeply grateful to you as we do understand the fact that we now may enjoy a happy life is largely thanks to your kind support.

We all are well here as always, and our siblings, under your love and care, are all able to go to school regularly like the other classmates of ours. We shall try to study hard in order not to be grateful to you for we don't know how and when may we pay back all of you.

I now close by wishing you and yours thousands of happy things and much good luck. I do hope you'll kindly excuse for all my shortcomings, if any.

Buffalo Merry Makers committee woman, Mrs. Elwin Holdorf, was guest at our February meeting. She announced the Mother and Daughter Banquet this year would be April 29 and our club is to give a number on the program.

Sandy Duncan, historian, read a letter from our foster child Nguyen Ngoc Sen, of Viet Nam. She thanked us for the help she has received, and stated that it was cold there.

A demonstration on "Proper Measuring" and "Beat, Fold and Stir," was given by Mary Wakefield and Carrie Saur. Mary said, "measure right and you are off to a good start as a cook. For liquids use a glass measuring cup and look at it on the same eye level as the cup. For dry ingredients heap over the top of the cup and level with the flat edge of a knife." Carrie demonstrated the difference between beat, fold and stir.

Sandy Duncan, citizenship junior leader, gave a report of the citizenship training school. Kathy Erickson held a quiz on cooking terms. Our leader, Mrs. James Duncan, gave a talk on "How can you be sure a recipe is good."

Our club was asked to canvass Buffalo Township for the "Heart Fund Drive" on Sunday, Feb. 21. We voted to canvass the township.

The next meeting will be at the home of Carrie Saur.

Seventy dollars was collected for the "Heart Fund" Drive by the Buffalo Township 4-H girls and boys, our vice-president reported at the March meeting at the home of Carrie Saur.

Talks were: "Planning My Daily Guide to Good Eating," Nancy Petersen; Plan a good breakfast, Nancy told us, to avoid that mid-morning let-down. Demonstration: "Broiling Meat", Carrie Saur. She stated that meat was our main source of protein and cautioned not to cook meat at too high a temperature as that extracts the juice and makes it tough. "Energy needs of girls and how they differ from boys" was given by our leader, Mrs. James Duncan. Girls energy needs are the greatest between the ages of 12 to 15 years and boys are between the ages of 14 to 18 years. Miss. Louis Brus, leader, gave us a "taste test" using three glasses of orange juice, one with too much sugar, one a little sugar, the other plain. We had to decide which they were. Most of us were good tasters.

Nancy Petersen and Carrie Saur were appointed to decide on a program number for Mother-Daughter banquet.

Jeanine Roggenkamp will be hostess for the April 3rd meeting.

TABLE TIPS

The next time you have alphabet soup, look into your bowl and discover a guide to letter-perfect table manners. They're as simple as ABC !

A is for the AMERICAN way of cutting meat. Holding your fork in your left hand and knife in the right, cut off a small piece of meat. Then place your knife on the right edge of your plate. Transfer your fork to your right hand and lift the meat into your mouth with the fork tines up.

B is for BEGINNING to eat when your hostess does. If there are more than twenty guests, you may begin when the four or five near you have been served.

C is for the CONTINENTAL way of holding your fork. Instead of transferring the fork to your right hand after you cut a piece of meat, bring the fork, tines, down, to your mouth with your left hand. Use the style you prefer.

D is for the DESSERT spoon placed on the plate, never left standing in a sherbet glass or a custard cup.

E is for ELBOWS that don't rest on the table while you eat.

F is for your FINGERS that hold your chicken at a picnic, in your own home, or at friends' houses if they approve (follow their lead). But for formal dinners and restaurant dining, use a knife and fork.

G is for GESTURE - which you shouldn't do with a knife and fork.

H is for HOT foods which shouldn't be cooled by you. Wait for food to cool by itself.

I is for ITALIAN food, especially spaghetti. Eat spaghetti with a large spoon and fork as the Italians do. Hold the fork prongs against the spoon and wind the spaghetti around your fork.

J is for JUXTAPOSE or place side by side. At the end of the main course place your silverware side by side in the center of your plate.

K is for KNIFE, of the buttering kind. Don't stick your butter knife into the butter dish or jam pot. Use the serving piece provided.

L is for LEFT, the direction from which the waiter will serve you.

M is for your MALE escort who will pull out your chair to seat you. Sit down as he pushes the chair toward the table.

N is for NAPKIN. Wait for your hostess to unfold hers before you place yours on your lap. At the end of the meal, leave it, unfolded, to the left of your plate.

O is for OPEN - the way your mouth should NOT be while you're chewing.

P is for the PLACEMENT of silverware in the order of use. Soup comes first, so the soup spoon will be on the outside, etc. Just start on the outside and work your way in toward the plate.

Q is for QUIET when you have a mouthful of food.
R is for ROLLS broken into small pieces to be buttered and eaten. The same goes for bread. Both should be buttered while resting on the butter plate.

S is for SOUP eaten SILENTLY. To get the last mouthfuls of soup, tilt the plate away from you. You should always dip your soup spoon away from you and drink from the side of the spoon.

T is for TAKING food from serving dishes. The serving spoon is to pick up food with and the serving fork holds the food on the spoon. Never use your silver to take food from serving dish.

U is for UNDER the table - where your feet belong.

V is for the spice of life - VARIETY. You should be ready to try a variety of new foods. Don't insult your hostess by refusing something without sampling a few bites.

W is for WET spoons which never belong in the sugar bowl.

X is for an X RAY showing curvature of the spine. If you tend to slump at the table, have this X ray handy to prove you can't sit up straight and bring the food up to you.

Y is for YOUR perfect table manners.

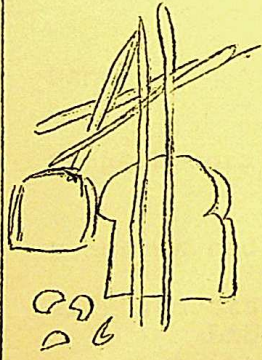

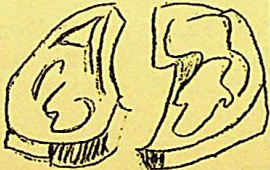

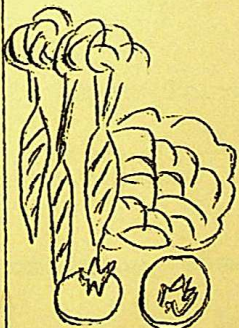

Z is for the ZEAL you display in observing good manners always.

Letter from Foster Child Nguyen Ngoc Sen (V-2175)

December, 1964

Dear foster mothers:

I am respectfully inquiring about you. Last November 23, 1964, I received 3 cakes of soap along with a sum of 580 piasters. I received in addition 300 piasters and I was infinitely glad.

Dear mothers, I don't know why and for what reason my sisters and I have to stay home and I am much worried about it and my elder sister Hoa is going to take her examination and I and my younger sister Huong stopped school for a long time and we fear that we would forget our lessons and so at home the three of us still continue reviewing our old lessons.

Dear mothers, I am eagerly looking forward to hearing from you much. Now our government just allowed public primary schools to reopen. For now I am anxiously looking forward to receiving your letter and I did not get any one. Please drop me a few lines. Presently the three of us are fine as usual and we all attend school as before and I will try hard in my studies to become happy later. Owing to your devoted help I am happy. My mother, siblings and I do speak of you often and every night pray Christ to bless you all with plenty of health.

Your foster child,

Sen

Letter from Foster Child: Nguyen Ngoc Sen

January 1965

Dear Foster Mothers:

I am Nguyen ngoc Sen, your foster child. I hope these lines will find you happy and in good health.

On December 24, I received your monthly allowance of VN\$590 together with 10 meters of flowered cotton. I was very happy. Thanks to you, we children had new clothes to wear. I thank you very much indeed for your generous help. My family and I do not know how we shall ever repay you. On the occasion of the coming lunar New Year we all wish you a full year of joy and happiness. We children shall have our Tet (lunar New Year) holidays in a month's time.

Mother and all of us children fervently pray the Lord to bless you and to grant you all your wishes. We often think of you and hope you are always in good health. We ourselves are all doing fine here, thank God.

Yours gratefully,

Sen

March, 1965

My Dear Foster Mothers,

I respectfully send you this letter, and hope you are well and have a lot of joy. On February 17, I have received 580\$ cash, 3 pieces of toilet soap, and 100 pounds of rice. I am so happy. Dear Mothers, I am very happy because I think I am very blessed to receive your help, and you all are so kind in thinking of my family in all points of view, without anything missed. Owed to your generosity, my family and I can have a good living, and my siblings* and I can have a good education. My siblings and I are now able to read and write. My family and I are deeply thankful to you all, for everything you have given us.

My siblings and I will have to take our exam very soon, my sister Hoa, will take the primary exam, my sibling Huong and I will make our tests to go to the upper course which is course 4th.

Dear Mothers, owed to your help, your devoteness, my siblings and I can go to school to study, in order to grow up into good citizens, my mother, my siblings and I don't know how to repay you and to deserve your kindness.

May I close here, and may God grant you and your families all the blessings.

Your foster child,

Sen

Letter from Foster Child
V-2175 Nguyen-Ngoc-Sen

My dear Foster Mothers:

I am Nguyen-Ngoc-Sen. I hope everything is well with all of you. On March 19, I received from all of you a regular amount of 580\$ and a mosquito-net. I thank you very very much, mummies. Due to your help, 3 of us, we are able to continue our studies. Your monthly allowance is a great help to us all. Having your money, my mother used to pay for our school-fees and buy the needful for the family. Without your help, we will certainly lead an illiterate life. The monthly salary of my mother is 600\$. With such amount of money, where can we get enough to pay for our school-fees? My mother and all of us, we are grateful to you for giving us great help. We don't know how to repay your kindness. What we are able to do is to work harder and harder at school in order not to be ungrateful to your kindness.

My mother and all of us, we talk about you very often. Before going to bed, we always pray the good Lord to bless you and your families and keep you all in good health. I also pray God to grant you everything you have wished for.

Your foster child,

Nguyen Ngoc Sen

Dear Foster Mothers:

I'm writing this letter addressing my wishes of good health to all of you. I was very happy receiving on April 20th from you a monthly cash grant of VN 580, 1 pair of sandals and 1 bar of soap and a letter. It was always so nice to get your letter for I have been looking forward to it.

Thanks to your assistance, my siblings and I are still going to school regularly. My elder sister HOA has passed her primary exam, my younger sibling HUONG and I are attending the 4th class.

We don't have waterfalls around the place where we live, but there are very many of them at the Dalat town which is about 300 kilometers far from Saigon. We have gone to Dalat one time by the Minh-Trung bus. It took us from 9 AM to 3 PM to reach Dalat.

If I had an elder brother, I should be very much happy because my mother has got 3 children and we all are girls.

I like very much our TET holidays because during the TET we all are dressed in our brand new clothes. The day we commemorated the Hai Ba Trung, the Easter and the birthday 2509 of the Buddha have gone by.

I beg to close for now, please forgive me if I said anything wrong. I'm sending to all of you my love. I always pray that God will bless you and that you all continue healthy for all year round. I hope that things are as good as you wish.

Your foster child,

Dear Mothers:

I respectfully inquire after your health. Dear mothers, I am Nguyen Ngoc Sen. On July 20, I received from you 1 raincoat, 1 cake of soap and the cash grant of VN\$ 580. I also received your letter to me. I thank you very much. Though you are living thousands and thousands of miles away, you are all the time attending to everything to me and you are concerned about my health and schooling. Dear mothers, I don't know what to do in return for your help to me. Dear mothers, there is one thing it is that I must try to study hard not to deceive your expectations as you have done your best to help my family so that we can be happy as we are today. So my mother and we children thank you with all our heart; I am all the time praying for you to succeed rapidly. Dear mothers, I heard you tell me about the life in the farm and I am so interested. I wish I could be near you, that would make me very happy. Dear mothers, my maternal grandparents are living in the farm and it must be very nice there. Dear mothers if I have written something wrong, be so kind as to forgive me please. My family wishes and prays that you and all your dear ones are enjoying every peaceful thing.

24th August, 1963.

Dear Foster Mothers,

This time, I was very glad to receive your monthly grant of HK\$45.00 (US\$8.00) together with two pairs of white socks and another HK\$25.00 (US\$4.40) for buying school supplies. Thank you.

On the 7th of this month, I took part in the Day Camp sponsored by the PLAN. The destination took place in Silver Mine Bay. There were a lot of green trees planted around the camp and in front we had a playground. By the side of it, there was a spring. I took a walk along the playground in the morning and in the evening. I stayed at the camp for one week. We got up at 6 a.m. and went to bed at 9 p.m. We played interesting games in the daytime and we also learned the handicraft work, too. In the evenings, we usual had many programs such as play performance, folk dance, movie meeting and music recital, etc. Before going to bed, we drank some milk. I had a wonderful time there.

In my last letter, I remember that I told you the government had sent me to St. Marks School. I shall attend this school on September 2. Thetime is from 8:45 a.m. to 4 p.m. The monthly school fee is \$HK\$48.00 (US\$8.40). Since there is a long way from my house to my school, it takes me about 3 hours for the couble journey. Send you our sincere regards,

Your foster child,

Letter from Foster Child F 2175 - Nguyen ngoc Sen

Dear Mothers:

I respectfully inquire after you. On June 23 I received 10 meters of print cloth, 5 meter of block cloth, 1 bottle of vitamins, \$590 and a bonus of \$220 - \$810 in all.

I also glad to receive your letter. I was always glad when receiving your letters.

I felt happy to know by your last letter that my grandparents brought all kinds of animals. I like oxen the most. I like their farming too for there are many interesting things in farming.

During the harvest and transplanting seasons, people sing merrily all the times.

We make crop with buffaloes, oxen. People use them to plough and harrow.

Are there buffaloes there?

It was very enjoyable to hear your stories about studying, cooking, making cakes, going to churches, camping.

My life would be a happy one if I lived near you.

Your Child.

AUG 30 1965

Letter from Foster Child V 2175 - Nguyen Ngoc Sen

Dear Mommies:

I, Nguyen Ngoc Sen, would like to tell you I received last Oct. 23 VN\$580, a bar of soap and a hygiene book.

Mommies, it's quite cold during this winter. I don't know whether or not it's cold in your country at the moment, isn't it, Mommies?

My sisters Huong & Hoa and I are taking our 1st half- yearly tests with our classmates. As these are very important for my promotion to a higher grade, I can't help feeling anxious during the testing hours. My teacher is very serious during these important hours of ours and that makes me thrilled.

Mommies, I expect you all are safe and well by now, aren't you? Over here, my mother and we children are keeping fine as usual. Every night, after learning all our lessons by heart, we children like to read the hygiene book. Hoa asks me to follow exactly the recommendations in the book. Sometimes, I don't agree with her advices. My mother then scolds me so I've to obey my sister. I think sanitation is essential to keep up my health, isn't it right, Mommies?

My mother often tells me your support both in money and kind is very important for my family welfare. Thanks to it, we could enjoy the present happy life so we're much obliged to you for your benevolence. I don't forget remembering you all in my night prayers hoping you'll be in prettiness all the time. I respectfully bid you all goodbye.

4-H Story

Miss Louise Brus and Mrs. James Duncan will be our leaders for the 1965 club year.

Our officers for 1965 who were installed at the January meeting at the home of Nancy Petersen are:

President-----Darlene Brus
Vice President--Mary Wakefield
Secretary-----Nancy Petersen
Treasure-----Kathy Erickson
Reporter-----Mary Penniman
Photographer----Susie Wakefield
Historian-----Sandy Duncan

We have nine members this year. Carrie Saur and Cindy McKibbin were initiated in January.

Sandy Duncan and Kathy Erickson attended Citizenship Training School. Mary Wakefield attended recreation training school. Susie Wakefield went to the music training school. All of the officers went to officer's training school. These girls brought back to the rest of the club the information for these special projects.

Mrs. Zuber showed slides at our January meeting. Our club donated to the Coed Camp fund and the IFYE Program.

Mrs. Elwin Holdorf visited our February meeting at Darlene Brus' home. Our club helped the Buffalo Jr. Masters 4-H club collect for the Heart Fund drive in Buffalo Township.

In March, Carrie Saur was our host. At this meeting we decided Darlene Brus would give a special

speech for our program number at the Masonic Temple in Davenport for the annual 4-H Mother-Daughter Banquet in April.

Jeanine Roggenkamp was the host for April, at this meeting we planned an all day meeting for the girls to cook a meal for their Mothers. We had no delegates for camps this year. Noone ran for county officer.

May 1

We met at the old Blue Grass Legion home to host our Mothers to a ham dinner. A quiz on food was done by the girls and mothers. Our leaders explained the fair list to our mothers.

It rained very hard this day and the old roof was sure a leakingbut we did get the meal served. And that was the last time for us as the old home was soon torn down to make room for the new DX Service Station.

Cindy McKibbin was the host for the June meeting. By June Mary L. Penniman had dropped as a member.

July 3rd we met at the home of Kathy Erickson. Plans for the Achievement were made; our show was held July 22 in the Blue Grass Church basement.

Mrs. Lloyd Schmidt and Mrs. Warner was our judges. Kathy Erickson had the most exhibits in the Senior Class. Susie Wakefield had the most in the Junior girls division. Cindy McKibbin had the most in the intermediate group. Next was August and the girl's were busy baking and labeling exhibits for the Mississippi Valley Fair in

Davenport. No meeting was held in August.

The last week in August saw Darlene Brus going to Washington D. C., as a citizenship trip for boys and girls in Scott County, who had done extra work in citizenship and club projects. Darlene Brus also worked with boys and girls in Scott County to help raise money for the trip to Washington. It was an honor to have one of our girls go.

In September we went to Weed Park in Muscatine, Iowa for our cook-out. Again it rained, thanks for the shelter in the park. We managed to get our food finished, though, I am afraid the rain did shorten our day.

Sandy Duncan's home was our meeting place for October.

At this meeting we elected our 1966 officers.

In November we met at Mary Penniman's home with Louise Brus as host.

At this meeting we ended our talks and demonstrations and the food year.

November 17th all boys and girls of Scott County, who are in 4-H, were guests of the Davenport Chamber of Commerce. This banquet is held to say thanks to all the people who exhibit at the county fair.

On November 26th we helped the 4-H boys host a meeting at the Blue Grass Community Hall to hold the

Buffalo Township Extension election. At this meeting Wm. Kolwey was reelected as the Buffalo township delegate for the next two years.

Suggestions for Keeping a Treasurer's Record

A treasurer has the responsibility for keeping the official record of all money received and spent. This book is designed to help you keep an accurate record of the finances of your club. You will want to keep this book in ink since you are keeping a permanent record.

As club treasurer you will not spend money unless the expenses are approved by the club. It is good business to deposit all money in a bank and pay all expenses by check.

At each club meeting you should report:

1. Amount of money spent and to whom paid
2. Balance in treasury
3. Bills to be paid.

At the end of the year the club president should appoint an auditing committee to check your records for accuracy and completeness.

This book is designed for keeping a 4-year record of receipts and expenses.

'64 Fair Preview

Scott County 4-H girls, as well as 4-H girls throughout other sections of eastern Iowa, are getting a preview of competition they will face when the 1964 season gets under way. In Scott County the local achievement shows started Thursday, and each club in the county will hold such a show before the fair starts. At these shows the girls exhibit articles of clothing they have made as part of the project work the past year. These articles are judged, and those that are to be entered in competition at the Mississippi Valley Fair are selected. Each girl and each club is limited to the number of articles entered in the fair competition. In addition, each township club is holding a style revue, with the winner in the senior and intermediate divisions eligible to participate in the county style revue at the fair.

A panel of judges places the articles entered in the achievement show staged by the Buffalo Busy Bees girls' 4-H club at the Blue Grass church last week. Shown (left to right) Mrs. Lester Baughman, Long Grove, Sandy Duncan, Blue Grass and Kay Wilson, Davenport.

To sponsor a child, it costs \$180 a year. The amount is pro-rated according to club membership which varied from \$3.90 to \$13.40.

About once in two months the foster child writes a letter to the 4-H girls. A copy is made in the Extension office and sent to each club historian who reads the letter at a club meeting and then puts it in the historian's book. The original letter is put in the County Historian's book.

Scott County Receives Recognition

The 20 Scott County 4-H delegates were pleased to be at 4-H Conference at Iowa State University and see Scott County clubs recognized for having contributed to the Iowa 4-H Foundation for the past consecutive 10 years. The recognition was given by Dr. Marvin Anderson, Associate Director of the Iowa Extension Service, to Lois Kuhl and Loren Engelbrecht, county presidents; and Lettie E. Zuber, County Extension Home Economist.

The contribution made by Scott County clubs has been used by the Iowa 4-H Foundation to help develop the Iowa camping center near Madrid. The first response on the part of Scott County 4-H Clubs to the State Camp Fund was in 1952, and in 1954 the clubs and both county boys and girls 4-H organizations started making regular contributions to the fund which is now \$5,187.23.

Most of the sessions at Conference dealt with "Our Changing Iowa Communities and You." However, delegates also learned the role of science and technology in home economics and agriculture through presentations by extension specialists and Iowa State University faculty members.

Career sessions gave each delegate an opportunity to explore career possibilities in which ever of the 5 ISU colleges he expressed an interest. A meeting was also held for delegates desiring short-time occupational training.

The 110-member State 4-H Chorus gave 2 performances during Conference at which they introduced new 4-H songs led by Max Exner.

Some of the things that 4-H will remember are:

1. "Progress can only occur through education."
2. "Young people today can expect to hold at least 3 separate jobs requiring complete retraining during their work years."
3. "Step up the stairs — don't stare up the steps."
4. "Change has created problems, but it has also provided some of the finest experiences in life."

The group was chaperoned by Harvey Klindt, Lincoln Township; and Lettie E. Zuber, County Extension Home Economist.

Each club in the county was represented by two junior leaders. Discussions were led by 10 adult leaders and 10 4-H mem-

bers who had citizenship training in Washington, D.C.

After Miss Whetstone set the stage for discussion, the 4-H members split into discussion groups to study the subject. Summaries were given by three reporters following the discussions.

Giving the summaries were Carol Fisher, Hickory Grove Township; Marvin Holst, Butler Township; and Margo Mohr, Sheridan Township. A panel composed of Mrs. Wilbert Englebrecht, Sheridan, Vickie Welk, Davenport, and Robert Venes, reviewed the 1963 program.

4-H Members, Leaders Study Citizenship

One hundred 4-H junior and adult leaders spent a two hour session studying and applying citizenship at the Davenport Lend-a-Hand Club last week.

Miss Esther Whetstone, extension 4-H leader from Iowa State University, highlighted the evening with a talk "Democratic Citizenship and the Four H's."

Miss Whetstone, introduced by Rick Stoltenberg, county boys' 4-H president, emphasized, "Our citizenship improvement program aims for club members to almost match the meaning of the 4-H clover. We must help develop clearer and deeper understanding, greater belief, larger skill in cooperative working relations with mutual concern between the club member and other people in the club, community, and beyond."

After Miss Whetstone's talk, 4-H'ers divided into 8 groups to discuss her talk and answer these questions:

1. What do we want 4-H club work to do for us as members?
2. What should 4-H work stand for?
3. How can we help members gain more from 4-H club work?
4. By what means can democratic citizenship be improved in your 4-H club?

These discussion groups were handled by older 4-H club members. They were: Kathy Meyer and Carol Fischer, R.R. 1, Walcott; Sue Kretschmar, Davenport; Carolyn Johnson and Daryl Clausen, R.R. 1, Davenport; Kent Mohr, Eldridge, and Robert Venes, Davenport; Bob Golinghorst, R.R. 2, Walcott. Linda Soenksen, Princeton, led the pledge to the American flag and 4-H flag respectively. The groups reported back on the questions and on ways citizenship could be improved in their local club. The 4-H junior leaders will use the material and training received in their own clubs.

The Citizenship program in Scott County will be highlighted next summer with a citizenship trip to Washington, D.C. Aug. 28 Sept. 5. Thirty-five 4-H'ers will attend a five day citizenship short course at the national 4-H center.

4-H Mother-Daughter Banquet

Four hundred and seventy-eight attended the 4-H Mother-Daughter Banquet on Thursday, April 29 at the Masonic Temple. Lois Kuhl, county president, presided at the meeting. Ann Harrison led us in the grace. Mrs. Foster Auliff and Carol in their welcome and response gave us the responsibilities of mothers and daughters. We really relaxed with Lorna Madden and Joyce Riessen.

Darlene Brus, Buffalo Merrymakers, challenged our thinking on the type of citizens we are. This was an original reading that Darlene prepared for a school speech contest.

For a lighter tone, Rockie Hillbillies from Rockingham Marrymaids, and the "Has-Been Easter Parade, Sheridan Hustlers Junior and Senior, gave us a good chuckle.

The Pixie Chords, of Rock Island, entertained with some barber shop numbers.

All received as favors, key chains and pocket sized hand cream. The mothers received a miniature box of candy from M. L. Parker's.

Even with the confusion of time and flood, all had a most enjoyable time.

Sharon Schlapkohl 1965 "Spirit of Camp"

Sharon Schlapkohl, of Cleona Clover Leaves, was elected 1965 Spirit of Camp at Muscot-Teen Camp Abe Lincoln. Sharon was crowned Spirit of Camp by Judy Frederichs the 1964 Spirit. Sharon will attend the 1966 camp with expenses paid. She has been a 4-H club member for 3 years. Her club leaders are Mrs. Allne Moeller and Mrs. Warren Fick.

For the first time the runner-up was announced who is Margaret Baetke of Butler Wide A-Wakes. In case Sharon is unable to attend then Margaret will. Margaret has been a club member for 5 years.

There were 13 nominees for Spirit of Camp. Of this number, nine were from Scott County and 4 from Muscatine. In order to be eligible the girls must have been 14 years by Jan. 1, 1965 and in at least their third year of club work.

New Directions for Iowa 4-H Projects

IOWA'S 4-H Club program, now about 50 years old, is branching out into new fields.

Some of the newer projects being offered are photography, climatology, electronics, welding and automobile engines.

In many counties, 4-H members taking these and other projects are being instructed by project leaders—usually specialists in a particular field.

In Benton County, for example, Raymond Cantonwine, a professional photographer in Vinton, is working with 4-H'ers who are taking photography.

Cantonwine, a former 4-H member himself, will hold about four county-wide meetings this year for members who are taking this project. He also will provide individual instruction when needed. Lyle Mackey, Benton County extension associate, says: "Our goal is to get participation in a wide range of projects. Livestock projects were not all we had in this county until a few years ago.

We are trying to convince

people that you don't have to own a steer or a pig to be in 4-H," he adds.

Benton County has project leaders for several other projects, including horse and pony care, small engines, home and grounds improvement, gardening, and a 100-bushel corn club.

"We started using project leaders three years ago," Mackey says. "Several of these projects were offered before that, but about all we could do was hand out the materials and hope for the best."

ABOUT HALF of the counties in Iowa are using the project leader concept to some degree, according to C. J. Gauger of Ames, state 4-H Club leader.

Where the project leader idea is used, organizational leaders provide general leadership as they have in the past and are responsible for organization of the club and club meetings.

In some counties, project

leaders also help 4-H members with traditional projects such as dairy, beef, swine, etc. Usually these project leaders are farmers.

Twelve project leaders are teaching welding to 4-H members in Wapello County. Most of the leaders are farmers who have taken a special short course in welding at the

John Deere Ottumwa Works, Ottumwa.

Deere & Co. also donated four electric welders to be used in training 4-H members for the program which got under way three years ago.

About 45 members are taking the welding project now. There are five groups in the county with one or more project leaders for each group.

Wapello County also is using the project leader system for electricity projects. Ten leaders, mostly farmers, have taken a course in electricity offered by Iowa Southern Utilities Co., Ottumwa.

Last year, 61 members were enrolled in the electricity project.

"These projects are practical," says Henry Stuchel, jr., Wapello County extension associate, "and for some members, they may offer career possibilities."

4-H Age Limit To Be Dropped From 21 to 19

By James R. McGuire

IOWA 4-H YOUTHS are going to have to "retire" from 4-H activities at an earlier age starting next Jan. 1.

As a result of new regulations that will go into effect then, the maximum age for 4-H Club members will drop from 21 to 19.

Also, a 4-H member will become ineligible to re-enroll in 4-H after he has completed one semester of formal training beyond high school. This includes training in colleges, junior colleges, business schools and beauty schools.

The new rulings will prevent some young people from showing livestock in 4-H classes at state and interstate shows.

C. J. Gauger of Iowa State University, Ames, who is the state 4-H Club leader, describes the new ruling as a good thing.

"It does mean that a few of the young people who want to continue to participate in 4-H activities after their freshman year in college will be affected," he said. "But really the most important thing for them to do is to con-

tinue their education and not let 4-H hinder them."

For those who don't go to college and who want to continue with club work, Gauger foresees using their talents in some kind of junior leadership program.

"We think there will be a way to help these young people assume leadership roles in their own clubs," Gauger said.

Gauger believes that very few college freshmen will be affected by the new ruling. In most cases, a freshman will not have completed a

semester of work by Jan. 1. So (except for those who have passed their nineteenth birthday by that date) they may re-enroll for the calendar year.

Gauger said that club congress and club conference delegates of the future are likely to be a little younger as a result of the new rulings.

The ruling on the minimum age limit remains the same. The 4-H Club member must have reached his or her tenth birthday by Jan. 1 of the current club year.

The Worth of a Girl

"A girl's worth depends on what she contributes, not on what she obtains; it depends on what she does with her life, on how much she adds to the peace, happiness and beauty of the world."

Poor Little 4-H Girl

I'm a sewin' and a-stichin'
And a-stichin' and a-sewin'
I've pulled out crooked stitches
Till I don't know where I'm goin'.
I've sewed it, oh so careful, --
I hope it doesn't tear,
'Cause I want a ribbon on it
When I take it to the Fair.

I'm a-tackin' and a-sewin'
And a-workin' fit to kill.
If it doesn't fit this time
I guess it never will.
I hope I get it finished
And survive the wear and tear.
I think I'll need an aspirin
Before I'm at the Fair.

Dreaming

My home must have a high tree
Above its open gate.
My home must have a garden
Where little dreamings wait.
My home must have a wide view
Of field and meadow fair, of distant
hill, of open sky, with sunlight everywhere.

My home must have a friendship
With every happy thing.
My home must offer comfort
For any sorrowing.
And every heart that enters
Shall hear its music there - And find some simple
beauty, That every life may share.

My home must have its mother
May I grow sweet and wise.
My home must have its father
With honor in his eyes.
My home must have its children,
God grant the parents grace. To keep our home
through all the years, A kindly, Happy place.

Marching to Pretoria

I'm with you and you're with me, and so we are
all together. So we are all together,
So we are all together, Sing with me,
I'll sing with you, and so we will sing together,
(to chorus)

As we march along. We are marching to Pretoria,
Pretoria, Pretoria, We are marching to Pretoria,
Pretoria, Hurrah!!

We have food, the food is good, And so we will
eat together, so we will eat together,
So we will eat together. When we eat, 'twill
be a treat, And so let us sing together,
(to chorus)

Vive l' Amour

Let every good fellow now join in the song,
Vive la compagnie!
Success to each other and pass it along,
Vive la compagnie!

A friend on the left and a friend on the right,
In love and good fellowship let us unite,

Now wider and wider the circle expands,
We sing to our comrades in far-a-way lands,

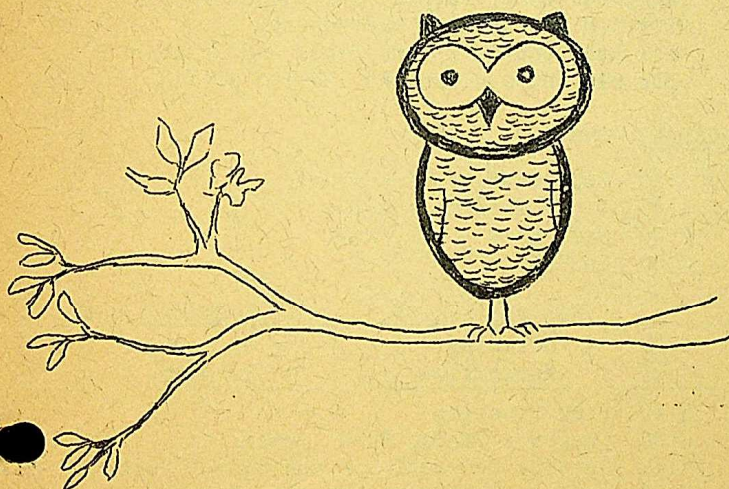

Chorus

Vive la, vive la, vive l'amour,
Vive la, vive la, vive l'amour,
Vive l'amour, vive l'amour! Vive la compagnie!

God Bless America

God Bless America, land that I love,
Stand beside her and guide her
Through the night with a light from above.
From the mountains to the prairies,
To the oceans white with foam.
God Bless America, my home sweet home,
God Bless America, my home sweet home.

Dear foster parents:

I am very pleased when I revived forty-five dollars (US\$8) for my school fee from you I have revived a folding steel table.

I come to St. Mark's School nearly two months. In the first month I felt very frightened because all the things seem very strange to me. But now I get used to it.

I tell you something which happened in Hong Kong. First the double-decker bus, were appeared in Hong Kong (Victory). Secondly the horrible disease "cholera" had been swept away by the Urban Service Department. They help the people to have injections and advised the people not to eat the dirty things by different kinds of announcement. Finally, because of the dry weather. The Water Works Department controlled the water supply very seriously. The buildings get the water supply once for every four days and the resettlement area get once for two days. Only four hours for once. OK! Let me stop here I can not tell you in detail, let me continue next time.

Now there is no more water restriction in Hong Kong for the typhoons have brought us much rain. At first the declaration from the government was that we might have 4 hours of water supply every other day. Then we had our water supply once a day (4 hours). Now we have our water supply twice a day (4 hours each time). This declaration delights every citizen in Hong Kong, even a child. Dear Foster Parents:

The classwork has closed already. I have received the report card. This time I have improved a little bit. Now our school divided the mark into 9 grades; Grade 1 means distinction; Grade 2 and 3 mean credit; Grade 4, 5, and 6 mean passed; and Grade 7, 8, and 9 mean failed. English Literature and art got Grade 1. General English, English Dictation, Mathematics, Chinese History, and Geography got Credit. The other subjects are pass. I ranked the 6th position out of a class of 43 in this examination.

A typhoon has come to Hong Kong on May 1. It brings to Hong Kong not much damage, but much rain. So that the government declared that from now on we shall have our water supply every other day. This is good news for all the citizens in Hong Kong.

LETTER FROM FOSTER CHILD, TO WOON NGOR

Dear Foster parents:

At the 5th of the August I have received \$45 for my school fee, 20 dollars for buying text books and a blue school bag which is made with leather. Besides this I have received 20 dollars more for helping me to buy books. Thank you very much. How are you?

At the last letter I told you that I took part of the summer vacation day camp. The place where I went was a primary school-Shum Shui School. In this camp there was many boys and girls and was divided into 12 groups. Every morning from Aug. 10th til Aug. 15th the camp was beginning at 9 o'clock. Half past nine we have our breakfast - bread and orange juice. After that there was a period of time for studying book sometimes we played games. After lunch we were playing together, lead by teachers. Sometimes our teachers taught us to sing funny songs which made us laughed loudly but sometimes we did handcalf (handicraft), draw pictures and even took a walk to the garden outside the school. Then we have our dinner at 5 o'clock. When we finished it, and put every thing in an ordinary way, we were allowed to go home.

In this month Hong Kong have many rain so we have water supply all day long.

Now the summer holidays will finish very soon. I will go to school at Sept. the 7th.

CASE HISTORY

Child's Name: NGUYEN NGOC SEN
Child's No. V 2175
Birth Date: 1952 (Exact date unknown)
Nationality: VIETNAMESE

Sen has two sisters, Hoa (15) and Huong (9). Her father was a painter who never earned more than enough for the basic needs of each day, but it was enough and his family was happy. He died of tuberculosis in July of 1954. He left a heart-broken widow expecting a last child, a destitute family. Huong was born after her father's death.

The mother tried to earn a living working as a housekeeper. They all lived in tragic want. Because of the family's poverty, none of the children were attending school. Hoa was in the second class of primary school but had to give up her studies because her mother could not pay her school fees. At the time, the poor woman had a debt of \$16.51 - borrowed so that she could feed her children. When their desperate need was brought to the attention of PLAN, aid was immediately extended to Sen by a generous Foster Parent who can no longer sponsor her. Your timely "adoption" assures the continuance of it's benefits.

They are still sorely needed. X-Ray examinations taken after Sen was first taken into PLAN, revealed that both Sen and Huong had contracted tuberculosis. With funds made available through PLAN'S Special Services Budget, both children have been treated and continue to receive further treatment and medical care. They are responding to treatment and seem well on the way to recovery. Both children are now attending school and their tuition fees are a total of \$2.23 a month. Sen's mother now sells "sticky rice" in the market place, earning 27¢ a day. The poor woman is dependent upon the PLAN grant for the children's school expenses and their clothing. Without help, neither of the children could be educated.

The family lives in a hut measuring 9' x 15'. It has a thatched roof, palm leaf walls and a floor of beaten earth. As furniture, they have one board bed and a cupboard. They light a kerosene lamp or a candle at night. There is no sanitation, no running water..it is not surprising that tuberculosis spreads so alarmingly. When the plight of the mother and children were first discovered, things were very grim. Since then, the family has made progress, but they still need help.

Sen is a sweet youngster with a pleasing personality. Because she started so late in school, she is in the third grade of primary school. She loves school and it would make her very unhappy to have to leave. At home, Sen is a willing and affectionate daughter. After school she helps her mother with the many household chores. She hopes to keep on studying and eventually find a position in an office and ease the burden at home. Under PLAN care, this youngster will receive a monthly cash grant of \$8.00, clothing, special medical care and the opportunity to go to school. The material aid is vital for Sen's development; to the girl and her family, your friendship is priceless - it brings comfort, encouragement and a new hope for a brighter day to come.

It's National 4-H Club Week...

National 4-H Club week is being observed throughout the United States through March 9. In Scott County 4-H clubs have played an important part in the lives of the rural boys and girls for many years. In Iowa 4-H girls have worn four different styles of official uniforms: The first, a light blue middie with pleated skirts, was worn only on special occasions by members of demonstration teams. All girls did not have these uniforms. This was followed about 1929 by a deep blue uniform that consisted of a

modified middie and a plain skirt. In 1949 a blue-green uniform was adopted, and is still being worn by a majority of club members. This year Iowa adopted the official national uniform. Four Burler township 4-H girls are modeling the various uniforms, (left to right) Margaret Baetke in the new official uniform. Lorna Randolph in the uniform which is still being worn by most 4-H members, Judy Claeys in the uniform which was adopted in 1929, and Barbara Drumm in the first Iowa 4-H uniform. (Staff Photo)

Scenes From Iowa 4-H Conference

One of the highlights of the 4-H club year is the annual Iowa 4-H conference held at Iowa State University at Ames. The conference is attended by both boys and girls and includes election of officers, study sessions and recreation. This year the Scott and Muscatine County delegations made the trip by bus, and here a group of boys from the two counties unload at Friley Hall, their headquarters for the conference.

The conference covered a variety of topics of interest to the 4-H club members. Proof of the interest of one of the sessions is the concentration shown by a group of Scott County 4-H delegates. WE LUCKY AMERICANS!

Suppose the mythical man from Mars came up to you some day and asked you if you were an American. You would say, "Yes," of course. Then suppose he asked you another question, "What is an American?"

Perhaps your answer would be something like this--or maybe you can improve on it:

"Yes, I'm an American. When I hear an airplane, I don't look around for the nearest bombproof shelter. I know that it is flying for the purpose of peacetime progress.

"I'm an American. I know that my newspapers and my radio and television will give me a fair picture of what's happening in the world, to the best of their ability.

"I send my children to a school where the teachers aren't merely vassals of the state--where the facts that are taught help to make them better, more intelligent citizens.

"Im an American. I can talk freely with my friends, expressing my own opinions on both political and non-political subjects, without the fear that there are spies who listen to my every word and then report it to some high and secret tribunal."

You would probably say these things and many more. And saying them would, in these troubled times, make you realize something else, so that you would come to say just one thing more: "Yes, I'm lucky---I'm an American!"

FREEDOM

You cannot say what freedom is in a single sentence.
It is not necessary to define it. It is enough to
point to it.

It is the violence of an argument outside an election
poll; it is the righteous anger of the pulpits.
It is the warm laughter of a girl.
It is the rush of a train over the continent and the
unafraid faces of people looking out the windows.
It is all the howdys in the world, and all the hellos.
It is you, trying to remember the words of "The Star-
Spangled Banner."
It is the sea breaking on wide sands somewhere, and
the shoulders of a mountain supporting the sky.
It is the air you fill your lungs with, and the dirt
that is your garden.
It is the absence of apprehension at the sound of ap-
proaching footsteps outside your closed door.
It is your hot resentment of intrigue, the tilt of
your chin, and the tightening of your lips some-
times.
It is all things you do and want to keep on doing.
It is all the things you feel and cannot help feeling.

Freedom? IT IS YOU!

Dear Foster Mothers,

On 9th instant I received HK\$45 (US\$8) from you for my tuition fee. I am very glad and grateful to all of you.

My examination has finished, but the report card has not been presented. I will tell you next time. I hope I can get good grades this time so that I may sit for the Joint Secondary School Entrance Examination. I worry what it will be when the time comes. I do my homework in the evening when I go home. I review my lessons in the morning.

It is getting cooler here. I think it will be so in your country. I hope all of you will take care of yourselves, so that you will not be threatened by illness. I hope all of you are in high spirits and everything goes smoothly for you.

I do hope you will write me more when you have time, so that I can gain more knowledge.

With best wishes to all of you.

Dear Foster Mothers,

On the 10th of this month, I received through the Plan your tuition grant of HK\$45.00 (US\$8.00), together with a woolen cardigan. I also received from you US\$2.00 for me to spend at Christmas. I was much delighted and grateful to you. I spent the US\$2.00 in buying some reference books.

It was very exciting at Christmas in Hong Kong. Schools and offices were closed for celebrations. The theatres and amusement parks were full of people, and many families had dancing parties. The churches were decorated beautifully and choirs sang carols in the streets on Christmas eve. We had celebration at our school too. The hall was decorated with Christmas tree, Santa Claus and bunches of green leaves., and we also enjoyed dancing, opera and other games. We were very happy on that day. We have twelve days for Christmas holiday from school. During the holidays I usually stay at home to review my lessons, as we shall have examination soon. I believe that you had nice time at Christmas too. Please write me often when you have time. Good bye for now.

Happy New Year to you all.

Dear Foster Mothers:

On the 10th of this month I received your tuition grant of HK\$45 (US\$8) plus a blanket and HK\$20. for Chinese New Year. Thanks to you all for your kind thoughts.

Time goes by day after day, Unnoticeably Chinese New Year is coming soon. Chinese New Year is very cheerful in Hong Kong. People wear new clothes and fire firecrackers. Each family clean their house thoroughly.

Dear Foster Mothers, with the money you sent this month for new year, I used it to buy new clothes and some food for the family.

The other day my little sister went to see Plan's doctor for her illness, where she was given a bottle of vitamin pills. My sister is well now. Thanks very much for your medical fee.

Now my examination is over. But the result is not yet know. When the report card is given to us, I will tell you about it.

Wishing you good health.

The subjects in the examination covered Chinese, English and Arithmetic and each subject took forty-five minutes. I was very nervous when I was writing the examination. The result is not yet distributed. I shall let you know about my grade later on.

It has been very dry for months here. Due to the drought, we have only four hours' water supply every other day. All the people here are anxious to have more rainfalls.

This month, I have received your nice letter and am glad to hear more about you. Thank you very much for your kind regards. I am enclosing a picture taken with my brothers and sisters for you. I hope you like it.

Until next time, wishing you good health.

Your foster child,

TO Woon Ngor

4-H Club Story

The year 1963 brings new things in 4-H.

Our club year starts January 1st and ends January 1st, rather than October 1st as it has been in the past.

We now have an organization and a project leader. Miss Brus is our organization leader, and Mrs. James Duncan is our project leader. Older girls maybe Junior Leaders. Our junior leaders are Sandra Duncan and Beverly McClurg.

The 4-H girls are now wearing a new two-piece green and white stripe shirt waist style dress with a 4-H chevron on the pocket for our uniforms.

We have seven club members this year.

Our club officers for the year 1963 are:

President.....Mary Lou Penniman
Vice President.....Esther Berryhill
Secretary & Treasure.Beverly McClurg
Historian.....Sandra Duncan
Reporter.....Danae Krakilo

All officers attended officers training school at the Walcott School, on November 30. At the December meeting at the Duncan home our officers were installed by Sherry Seydel, one of our county officers.

On November 30 our leaders Miss Brus and Mrs. Duncan attended the first Home Furnishing Training School. Home Furnishings is the project for Scott County this year.

Mary Penniman was our January hostess. At this meeting we donated to coed camp and IFYE. ON January 8 our leaders attended the 2nd training school.

For the February meeting we met with Beverly McClurg as hostess. Mrs. Zuber, our County Home Economist, was a guest at this meeting. Besides our talks and pictures by Mrs. Zuber, all the members helped make St. Patrick Day nut cups for the patients of the Blue Grass Nursing Home.

Danae, Shirley, and Terry Krakilo were the hosts for the March meeting. On March 29, our leaders attended the third training school at the Lend a Hand Club in Davenport, with Miss Emelda Kunau from Ames as the instructor.

April 20, we met with Sandy Duncan as hostess. At this meeting Danae Krakilo was elected to attend Mus-Scott-teen camp in June. We had no delegates for county office this year. April 23 the 4-H girls and their mothers attended a Mother-Daughter Banguet at the Masonic Temple in Davenport, Iowa. All seven of our members and their mothers attended. We made the center pieces for the quest table. The center pieces were made of fresh apple blossoms.

May 18th was a full day for our club. We had a short meeting with Esther Berryhill as hostess. We also went to the Walcott School and met for Rally Day practice with the Rockingham Merry Maids, and the Blue Grass Merry Makers 4-H clubs. All three clubs took part in the Initiation Ceremony. Rally Day was May 25th at the Walcott School. The day before Rally Day our leaders and Mrs. Spies cut fresh red clover in bloom from the Ted Kress farm, that evening all the girls and leaders from the 3 clubs met at the Blue Grass Park shelter to make a one-hundred foot clover chain, which we used in our ceremony to initiate Mrs. Holst, and Mrs. Schneekloth as honorary members.

By this time Sandy Duncan had been selected from our club to attend 4-H Conference in Ames, June 11-14. Only seven girls went this year from Scott County. We were happy to have a girl from our club selected to go.

June 15th we met at the park shelter for our regular meeting. Danae Krakilo gave her report on Mus-Scot-Teen camp.

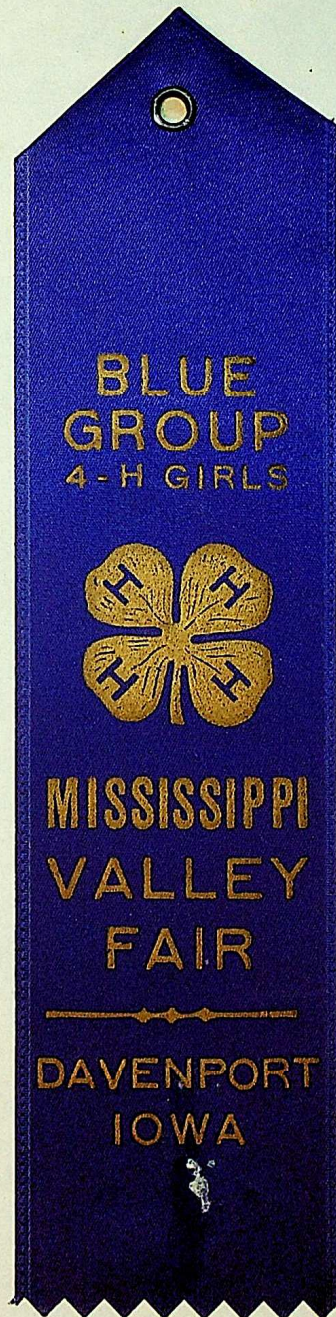

July 20th we held our local achievement show at the Blue Grass Community Hall. Mrs. Zuber, Mrs. Ben Litscher, and Kathy Frankenfield were the judges. We had 14 Senior exhibits, which placed 12 blue and 2 red ribbons.

One girls exhibited in the Jr. class, with 3 exhibits, all placing Blue and going to the fair. Two girls in the intermediate group exhibited seven exhibits, all placing blue ribbons and going to the county fair.

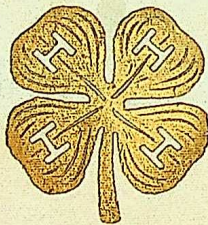

We will have nine senior exhibits going to the Mississippi Valley Fair.
